SEWER & WATER GROUP JOB 3011: ALVARADO/COLLEGE NEWSLETTER #3-November 11, 2009

Newsletter Series For the Alvarado and College Neighborhoods:

This monthly newsletter is to inform the residents of the College
Neighborhood and Alvarado Estates of the ongoing construction
activities for the Water Group Job 3011 Contract

Group Job 3011 Project Description:

This project consists of water improvements and street
improvements to the Alvarado/College Neighborhood.
Existing water mains and services will be upgraded,
Pedestrian ramps will be installed and streets will be
resurfaced. This reinvestment in your neighborhood will
ensure that the City of San Diego can continue to
provide reliable water service for many decades to
come.

This Project Will:

Improve service reliability
Minimize future water breaks and leaks
Increase size of existing water mains to improve service to the
neighborhoods
Reduce maintenance costs incurred by the City of San Diego
Total Project Cost: \$11,948,422.35
Project Completion Date: November 2010

Traffic Control:

During construction hours the entire block in
which the crew is working in will be closed.
Detours signs will be placed in order to route
traffic around the work area. "No Parking
Signs" will be posted in the work area.
Please take notice of the posted signage and
recognize that as the work progresses the
traffic routes through the neighborhoods
will be changing.

General FAQ's: www.sandiego.gov/engineering-clp

Upcoming Construction Activities:

Water main and water service installation will be ongoing
throughout the next few months. The crew will work in
multiple locations throughout the Alvarado Estates and
College Neighborhood. City of San Diego Crews will also be in
these work areas install the temporary water lines.

Construction in the Alvarado/College Neighborhood will
generally occur in the following sequence:

Don Kelly Construction, Inc crews have
completed the first phase of the water main
in the Alvarado Estates Neighborhood. We
will be testing the main and preparing for the
City to reconnect the new main and activate
the temporary water lines in both the College
area and the Alvarado area. The water crew
will start once the City has made the
required connections. We anticipate the City
of San Diego will have these connections
made during the week of November 16,
2009

Construction Schedule and Work Hours:

June 2009 - November 2010
Daytime Work hours are from 7:30 AM - 4:00 PM
Nighttime Work Hour are yet to be determined

Service Interruptions:

Please be advised that there will be
short interruptions to your sewer and
water service. Unless there is an
emergency these service interruptions
will be limited to between 7:30 AM
and 4:00 PM
